La Centrale Food Hall

If you're downtown in Miami, you owe it to yourself to check out the buzzing scene at this brand new Italian-themed 40,000 square foot [La Centrale](#) food hall. There's a little bit of everything here, from Italian products to take home and takeaway sandwiches, sweets and coffee on the first floor Mercato level. There is a delightfully overwhelming variety of food choices on the second floor restaurants themed according to cuisine. There is the seafood-themed Pesce, where the buttery red snapper is not-to-be-missed, the meat-centric Carne, a vegetarian spot Stagionale and even a gelato spot by Venchi, an Italian institution. The third level is devoted to small bites and wine and an impressive, shoppable collection of wine.
